Residential Program

Beauty From Ashes Residential Program

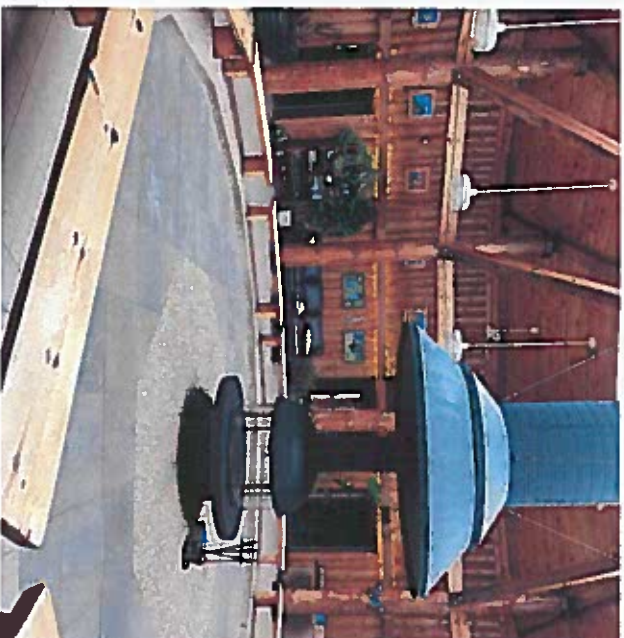

The Beauty for Ashes is a 5 day intense residential program designed for 18+ to educate and train individuals on how to interact with, work with and respond to those whose lives have been impacted by trauma: domestic violence, abuse & neglect. *(application process)*

This training builds effective communication skills. Participants join others in a healing journey by exploring stories and events that have touched their lives. Topics are presented through large group training and explored in a small group setting.

BENEFITS OF BFA:

- Tools are given to help understand how past harm plays into the current way we relate with other , discover healthier ways of relating with others, and learn new coping skills.
- Taught how to walk alongside others who desire to resolve the pain & wounds of their past.
- Are taught how to safely enter conflict in such a way that invites healthier relationships & more meaningful positive outcomes.

BFA Modules:

1. Breaking the Silence
2. The Heart of Responding
3. Longing for Mom /Dad
4. Innocence Stolen
5. Living Without Safety
6. The Cost of Shame
7. Living Angry
8. Relational Styles
9. A New Beginning
10. My Action Plan
11. A New Identity
